President's Message

It's hard to imagine that it was just two brief months ago that our membership was meeting in San Diego for our 12th Veteran's Association Reunion. You will be pleased to hear that we had over 90 members, spouses, and guests in attendance. Important business was discussed, old acquaintances renewed, and new friends welcomed.

I would be remiss in not thanking some members and family who helped to make the reunion so successful. Beginning with my wife, Doris who worked so hard in planning before the reunion and helping out with all of the details of the reunion such as registration and keeping the hospitality room functioning at peak efficiency.

Shipmate Mike Riley who came all the way from New Zealand and provided every member with a photo of the Magoffin at sea.

Our auction crew of, Dick Dickenson, Willis Anson, and Mac Christy. With their efforts and the generosity of attendees we were able to raise over \$1500 for the scholarship fund at Magoffin County High.

Special recognition goes to Shipmate Roy Jones for his very generous donation to the scholarship fund.

A new member of the Association, James A. DeWitt who lives in San Diego stopped by to register for the reunion and later

Continued in the next column

presented the membership with the ships wheel with Magoffin logo that he had saved before the ship was taken out of commission. This wonderful remembrance will be a welcome addition to future reunions.

At the Crew's meeting the members voted to place the scholarship money into the fund at Morehead State. This effort has been spear-headed by our Secretary Tom Haglage and has been very successful in raising over \$13,000 for our scholarship account at Morehead State. We currently have over \$16,000 at Morehead State after transferring funds from the Magoffin Scholarship Fund with sufficient funds to cover the 2006 and 2007 recipients. We are currently about \$8,000 short of our \$25,000 goal of making our scholarship fund self-perpetuating.

In a short time the membership will be receiving correspondence from me in regards to the history of the scholarship fund, it's presence status, and ways to attain our monetary goal for the future of the fund.

Finally, our thanks to L.G. and Cindy Duncan who have agreed to host our next reunion in Colorado Springs. We know we will have a great turnout!

Mike Stein
President

Start Making Plans!

Thanks to L.G. Duncan and his lovely wife Cindy, the next reunion (September, 2007) will be in beautiful Colorado Springs, Colorado.

Colorado Springs is best known for being the home of the U.S. Air force Academy but there are many other exciting attractions.

Some of these are:

Royal Gorge Route Railroad

Experience the breathtaking scenery and outstanding service aboard the historic Royal Gorge Route Railroad. The only train that traverses the Royal Gorge operates year-round offering coach, club class and famous gourmet lunch and dinner trains.

The Royal Gorge Bridge & Park

is a one-of-a-kind place for your family and friends to make memories that will last a lifetime! If you haven't been here in awhile, you won't believe the totally unique fun and new adventures we have waiting for you to explore.

Seven Falls

Seven Falls, located just ten minutes from downtown Colorado Springs via Cheyenne Blvd. and nestled deep within Cheyenne Canyon, is Colorado's only waterfall to be listed in National Geographic's "List of International Waterfalls."

Glen Eyrie

Glen Eyrie is the original 18th century castle home of the founder of Colorado Springs, General William Jackson Palmer, and is located on an 800-acre estate on the Front Range of the Colorado Rockies. Today it offers overnight stays and a conference center.

Pioneers Museum

The Pioneers Museum is housed in a downtown building that was once the El Paso County Courthouse. Changing art exhibits, pioneer relics and American Indian artifacts are highlights.

Rock Ledge Ranch

This historic ranch reenacts life in the pioneer days. It is a popular visitor stop, in part because of its proximity to Garden of the Gods.

Florissant Fossil Beds

Florissant Fossil Beds National Monument, 30 miles west of Colorado Springs, presents the area's geological history as far back as 34 million years.

The Cheyenne Mountain Zoo

Feed our world-famous giraffe herd, come nose-to-nose with great apes, ride the 1920s historic carousel, enjoy our new exhibit of colobus monkeys, stroll through the African Rift Valley and see spectacular views of Colorado Springs.

Golden Gate Canyon State Park

The word "sprawl" usually has negative connotations - unless you're talking about Golden Gate Canyon State Park. This gem sprawls over 14,350 acres 16 miles northwest of Golden. It's so vast, it holds subalpine forests and deep canyons, back-country camping and RVs, and even yurts.

Garden of the Gods

A favorite stop on any tourist's list is Garden of the Gods, a 1,364-acre national landmark visible from many points in the city. The soaring rock formations are a popular hangout for the area's experienced rock climbers, though many inexperienced tourists have gotten themselves into trouble climbing the formations without gear.

Just what tours and events are planned is still not settled but with so much to do members might want to consider arriving early or staying after the reunion. If you want to learn more about Colorado Springs, visit www.coloradosprings.com.

More information about the reunion will be passed on things are firmed up.

A Little Commentary

I want to thank all of our shipmates who help to keep the website - www.ussmagoffin.org fresh and interesting..

A number of people sent me photos of the Reunion including Clyde Alexander, Mark Storhman and Jim Housley. I think that this year we have better reunion coverage than ever.

Thanks also to those of you who have sent me photos, stories and memories to be added to "Sea Tales". Some of the newest are from Tom Baker, Mark Strohman, Tex Railey, Hearld Lowther and Art Coral.

Joe Beninato has allowed publication of his personal photo album. It is the most complete and best notated album received yet.

If you have photos, albums, or stories that would want to share, please contact me at webguy@ussmagoffin.org or call 270-436-5132

Junior (Bill) L. Carey

Junior Carey was born March 23, 1937 in Spooner, MN. He was the son of Levi and Bessie Grose Carey. He passed away on May 16, 2006 in Springfield, MO at the age of 69.

He moved to Marion, IN at the age of 6 months and spent most of his life on the farm until joining the U.S. Navy in 1954.

Junior was married to Shirley Russell and they had two sons. In 1968, Junior married Carol Kost Sills in Waukegan, IL and was blessed with three more children: Robert and Edward Sills and Robin Sills-Nicholson.

In 1973, He retired from the Navy and went to work for Kaiser Steel in Napa, CA where he was an electrician with many talents.

He moved to Birch Tree, MO in 1978 and loved his farm there. In 2001, Junior moved to O Hwy. He was employed by Current Electric in West Plains, MO from 1991 until 2005.

Junior is survived by his wife, two sisters, his son his stepchildren, ten grandchildren and 13 great-grandchildren.

Junior served on the USS Magoffin during 1955 and 1956. He was in "R" division. Junior attended the reunion in Milwaukee even though he was on dialysis at the time. The cause of his death was cancer.

His wife wants everyone to know that Junior was a

Gerald E. Schultz

We have received word from his wife that Gerald E. Shultz, a WW-II Magoffin crewman, passed away on May 3rd of this year. No other information has been provided at this time.

Letters to the Crewmembers

Two of our shipmates widows have sent letters to the members of the Association.

From Donna Tessar

April, 2006

Dear Mike,

Enclosed please find a small contribution from my kids and I in memory of Tom to be given to the Scholarship fund or whatever you see fit.

A big "Hello" to Tom's fellow shipmates (and their wives). They're important too. Will be thinking of you and wishing I could be there. Still adjusting to this new life of mine. As the kids say, "It Sucks". Hope maybe next time. I'm sure everyone will have a great time. You and Doris will do a fine job.

Keep in touch, Love,

Donna & Kids (Darry & Bonnie & Family, Denise & Jim & Family)

Note: The Tessar's donation was added to the scholarship fund

From Helen Heiken,

March, 2006

Dear Friends of the U.S.S. Magoffin,

Wish we could be there. My husband, Jack Heiken, (who passed away June 8, 2005) was very proud of being part of your group.

We so enjoyed all of the tours. I'm sure there is unlimited time and work put into planning a reunion. Bless those who volunteer for this job.

I'm sending you a check for \$100.00 to put with the Magoffin Scholarship. I'm sure Jack would want me to do that.

I appreciate you sending me the Magoffin newsletter. I can keep up on what happens with all of you.

My family insisted I move to town so we sold the farm we owned for 45 years. Yes, I miss it. I've been country forever. Big change, but I discovered I have many friends here plus my church family.

May you have safe travel to and from and a wonderful time in San Diego.

**Crew Meeting Minutes – 20 April, 2006
USS Magoffin APA-199
12th Reunion - San Diego, Ca**

At 9:01 AM, President Mike Stein call the meeting to order and welcomed all of the members present to our 12th reunion. He then recognized Terry Little for his efforts in maintaining our website and producing the Association Newsletter. President Stein then recognized the board members and Treasurer, Joe Beninato. Stein then recognized Secretary Tom Haglage for his efforts in establishing the scholarship on a permanent basis at Morehead State University. The Secretary requested and was granted a minute at the podium to thank all the shipmates who have supported and encouraged his efforts and for their generosity.

President Stein then asked shipmate L.G. Duncan to read the names of the shipmates who have passed on since the last reunion. Those shipmates are:

- Leon Bogg
- Phil Brennaman
- Tom Cota
- Leonard Gowan
- Jack Heiken
- Bryant Jackson
- Allen D. Jones
- Bob Kuklenski
- Horner Lawson
- Carl Mc Cann
- Lewis Luke Rich
- Tom Tessar

Honors with hand-salute were then rendered to those shipmates. President Stein then read a letter from Donna Tessar, widow of shipmate Tom Tessar, the hosts of the last reunion in Milwaukee, Wisc. Stein then asked Treasurer Beninato to give the financial report which he did. L.G. Duncan was then to step to the podium and give the membership an update on the proposed '07 reunion in the Mountain Time Zone. The Secretary Haglage was asked to read the minutes of the last crew meeting held in Milwaukee. The minutes were approved as read. President Stein then introduced each of the members of the Board of Directors and then

asked new Association members who were attending their first reunion to stand and introduce themselves. President Stein then asked Tom Haglage to the podium to give a summary of his efforts to establish the scholarship at MSU on a permanent basis. When Haglage had finished, an intense discussion ensued among the members present as to how to reach our goal of establishing a permanent scholarship at Morehead State University. A motion from the floor was made and seconded that the Association adopt the MSU scholarship plan, as initiated by shipmate Tom Haglage as official Association policy. The motion was unanimously approved by the members in attendance. After much discussion as to how to reach the entire membership, for a contribution to the MSU fund, it was decided that a personal appeal, via U.S. Mail, would be made to each individual member. There then took place a discussion of Atomic Veterans and how to apply for benefits. At 10:00 AM President Stein called for a 15-minute break.

At 10:17AM, President Stein called the meeting back to order. A discussion then took place pertaining to Board members and the whether they would be willing to stay on in their jobs if asked. All agreed that they would and the members present approved. Shipmate Willis Anson was then invited to the podium to explain the raffle and how it works to the new members. Shipmate Mac Christy then shared the information he had assimilated on professional reunion organizers. President Stein then spoke of what he had learned of permanent I.D. cards for Association members. Shipmate Gene Walker then spoke of permanent I.D. badges. Mac Christy added information on the same topic. Shipmate Sam Rubin then volunteered to assist President Stein with the development of a permanent I.D. card for the membership. More discussion then ensued about the I.D. Cards and reunion notices.

President Stein then recognized shipmate and attendee, CPO Ross Sakers, who, having just turned 90 the month before, was the oldest reunion attendee present. Sakers was resplendent in his dress blue CPO uniform.

Shipmate Les Wilson was then asked to give the invocation. As it appeared at the this point that there was no further business, President Stein adjourned the meeting at 10:38AM.

Morehead State University during WWII

During WWII Morehead State served during the war years as a Navy Training Base. Starting in March 1942, Morehead State began its service as a Technical School for Navy electricians. Men were sent to Morehead State directly from basic training. After their arrival in Kentucky they were required to undergo an intensive 16 week course in basic electricity. The amount of time allotted for their training was less than two-thirds of the time required during peace time. Men successfully completing this course would then be prepared to go aboard any of the ships in the fleet with the rating of EM3. The first class graduated on September 17, 1942. The Navy population at MSU eventually reached 600 or more men.

Navy Personnel arriving at Morehead State University

This information was obtained from a book by Jack Ellis, who was quoting Woody Hinton from his publication "Cracker Barrel Comments" and provided to the Messenger by Tom Haglage.

A letter from the President of Morehead State University

While this letter was addressed to Association Secretary, Tom Haglage, the message was intended for all members of the Association.

Dear Mr. Haglage,

Thank you for the association's generous contribution of \$3000.00 to the USS Magoffin Veterans' Memorial Scholarship.

The University continues to strive for excellence in an environment of restrained funding and higher costs. Your gift provides the margin of excellence that allows us to offer many valuable programs and educational opportunities for our students.

I hope you will share the significant work we do here at the University with others and invite them to join you in supporting our mission of educational excellence.

Again I thank you for all you do to support Morehead State University

Sincerely,

Wayne D. Andrews, President

After the last reunion, the Association added \$3000.00 to the scholarship fund at Morehead State for the annual Magoffin Country High School scholarship. Half of this money came from the raffle proceeds - the other half came from the general scholarship fund. Even with this disbursement from the fund, there is sufficient monies to pay out the scholarships for the next two years.

What ships were off the coast of Korea in October, 1966? If you do or if you know how to find out, please contact Mike Stein at (800) 621-5950 Or email him at mpstein1@cox.net

Can You help?

Tom Moore's wife, Kay Jean, is asking for help. Tom is having trouble with the service department records. The VA says Tom was not in the waters of the Republic of Vietnam on certain dates. They have no record of him going on the last cruise (October, November and December of 1967) with Captain Scott.

After returning home he was admitted to the Naval Hospital at Balboa. He had broken out with what appeared to be water blisters and had a fever. After several weeks of being a human guinea pig he was released back to the ship. He was never told what has caused the outbreak. Now Tom's benefits are pending due to the missing information.

If you know how the Moore's can get information to verify Tom's last trip to Viet Nam, Please email the Moore's at Kayjeanmoore@wmconnect.com or call collect to 850-455-6031

Did you know Louis Jay Brown?

A letter has been received from the daughter of Louis Jay Brown II asking for help.

Hello, I am looking for any pictures or information about my father Louis Jay Brown, who was stationed on this ship. The reason I found the name of the ship is from a scarf my grandmother received from my dad.

My dad passed away in 1964 at the age of 36 in an airplane crash. He would be about 77 years old now if he had lived. He lived in Raytown, Missouri, (a suburb of Kansas City, Missouri) He was very tall (6'4") I believe he was on the ship during the Korean War. If anyone might know him, please let me know.

*Thank you, his daughter
